Maggie Ryan, Alta Hensley : Maddox (The Black Stallion Trilogy Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Maddox (The Black Stallion Trilogy Book 1):

I love both authors though, so I decided to give it a try. My goodness am I glad I did. I usually read more historically based books, as they are easier for me to relax and get lost in as they don't have the nasty issues that today's world does. This book is set in the current time and it definitely deals with nasty issues, but it has a ending that gives hope and shows that love remains victor of all. A great read.2 of 2 people found the following review helpful. Wow - Hard To Put DownBy ToiAMaddox and his Dad go to a horse auction - Maddox sees Adira riding her horse and immediately has a strange feeling about her only to learn later that there is another reason to be in Dubai. Can Adria let Maddox in, to help her get over her loss? Lots of twist and turns in this book, looking forward to learning more about Stryker and Anson.2 of 2 people found the following review helpful. Protect and LoveBy pico1Maddox is the story of Maddox, a Texan whose family takes on projects to assist people in trouble, and Adira, the only survivor of a blast on a yacht in Dubai that has destroyed her entire extended family. She is saved by Maddox and his father, Drake, and brought to their ranch in Texas. Maddox and Adira fall in love ndash; with Adira learning she is submissive and Maddox is dominant ndash; and both enjoying the benefits to their relationship. The story is well written, fast paced, and interesting ndash; it is both a love story with spanking and other punishments, as well as a good mystery story ndash; as Maddox and his family uncover the cause of the explosion that destroyed Adirarsquo;s family. I look forward to the next book in this series.

USA Today Bestselling Authors Maggie Ryan and Alta Hensley join forces to bring you the first novel in this action-packed, romantic suspense trilogy full of bad boys and the women who love them.Powerhellip; dangerhellip; desireMaddox Steele, along with his two brothers and father, lives by one code: Help all in need. No questions asked. Even if it means saving those who walk among the most sinister criminals in the world. Known as The Black Stallions, their mission is simple ndash; provide rescue and safety to the underground. Adira Nazar has no idea her entire life is about to explode into a million pieces. With her life in extreme danger, her only choice is to hand over complete trust to a dark and mysterious man she has never met beforehellip; Maddox Steele.Just another jobhellip;Someone to protect like all the othershellip;But when Maddox sets eyes on Adira, all bets are off. She is his save, and he's determined to make sure that nothing happens to this exotic beauty trapped in a ruthless world.Tucked away at The Black Stallion Ranch, and with the few clues they have, can the Steeles put together the pieces in time to save her, or will they lose Adira to the clutches of darkness?Publisher's Note: This book contains graphic sex and BDSM elements.

Combining Alta Hensley and Maggie Ryan means you have a MUST READ book. The two powerhouse authors in this genre did not disappoint. Maddox is one hot hero, and Adira is a heroine that any woman can relate to. I cried, I laughed, and I wanted to dance with the bees. I would highly recommend this book, and I can't wait for the rest of the series. ~ Carolyn Faulkner, Bestselling Author
